**Subject:** RE: Annual Report Deficiency for Telplex (BMAR-2025-0467)

This email is a continued deficiency notice for your 2024 annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- The report contains two page 2 and they differ. It makes sense that the one reporting zero is correct. Please remove the other page when refiling.
- The verification page isn't completed in full. Please complete the notary section.

Please resubmit your revised annual report in its entirety (both public and non-public versions) to correct the deficiency as a supplemental filing in [Non- Non-Case Submission - BMAR-2025-0467 - EFIS](#).

This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.

Thank you,
