Subject: RE: Annual Report Deficiency for Mercury Broadband (BMAR-2025-1478)

Alexis,

The name on the report is still incorrect. The company is currently recognized by the Commission as Mercury Wireless Kansas, LLC d/b/a Mercury Broadband. Please put the full name or simply Mercury Broadband on the report. Thanks!

Thank you,

Hi Alexis,

Our records show the current company name is Mercury Wireless Kansas, LLC d/b/a Mercury Broadband which was effective in 2021. If the company is currently using Mercury Fiber a name change needs to be filed. The verification page filed has no signatures. If you have the original copy that's fine, but the version filed should have it filled in, electronically.
