B. General Terms and Conditions of Service

- 1. Service Availability:** Service is available only if Subscriber is within select coverage area. Service may be interrupted due to system capacity limitations and system repairs or modifications. Service is subject to limitation or interruption caused by weather, terrain, obstructions such as trees or buildings and other conditions. Company is not responsible for time lost or days lost for interruption of service caused by the above mentioned factors. There will be no credits or refunds issued for any reason.
- 2. Service Activation:** Subscriber must purchase a Company service plan, in order to activate a Lifeline account.
- 3. Use of Service/Rates:** Each text message sent or received by Subscribers, except for a text message initiated by Company, is equivalent to one minute of usage and reduces a Subscriber's plan minutes accordingly. Company initiated texts received by Subscribers do not reduce Subscriber plan minutes. Subscribers can use the service to place 911 emergency services calls regardless of whether any minutes remain on their account or activation status. Subscribers can use the service to contact Customer Service at 888.777.4007 or 611. Calls placed to Customer Service, from Subscriber's handset, will not deduct minutes from Subscriber's account. Subscribers can use the service to contact directory assistance (411 or #4007), and operator services (0); minutes used for such calls will be deducted from account. Subscribers cannot use the service to place operator

assisted calls such as third party billed, and collect calls. Subscribers are unable to place calls directly to International numbers or numbers that begin with 500, 700, 855, 900 or 976. Subscribers are also unable to forward calls, or send/receive Multimedia Messages. If Subscriber is unable to successfully place a call out, attempt dialing with 1 + the area code + the 7-digit number. It is highly recommended that Subscriber power cycle the phone at least once per day to help re-register the phone within the Network.

4. **Service Continuation and Cancellation:** After an account expires at the end of the 30-day cycle, non-Lifeline Subscribers will have 3 days to pay for the next 30-day cycle of service. If the Subscriber fails to pay, the account will be cancelled. Subscriber will lose the number and will need to apply for new service with a new mobile number.

Lifeline Subscribers who take service under any plan, except the 250 Minute Talk, and fail to pay for the next 30-day service cycle prior to the expiration of the current 30-day service cycle, will be converted to the 250 Minute Talk plan on the day following the end of the 30-day service cycle. However, Lifeline Subscribers will have the ability to revert back to their previous plan or select any other applicable plan at any time if they pay for such plan for another 30-day service cycle. Any minutes remaining under the 250 Minute Talk plan will not be carried over to the newly selected plan, whether or not the newly selected plan is the same as the one in place prior to the conversion to the 250 Minute Talk plan. Subscribers to all plans except the 250 Minute Talk plan will continue to revert back to the 250 Minute Talk plan anytime they fail to timely pay for the next 30-day service cycle. As set forth below Section E.5.k., if no usage appears on a Lifeline Subscriber's account during any continuous 60-day period, Company will promptly notify the Subscriber that the Subscriber is no longer eligible for the Company's Lifeline service subject to a 30-day grace period.

5. **Deduction of Minutes:** Deduction of minutes for a completed call from a Subscriber's handset will begin when the SEND key is pressed and will end when either party ends the call, rounded to the nearest minute. Call detail records will only be provided where required by applicable law.
6. **Promotions:** Company may offer promotional rates and services from time to time.

C. Termination or Suspension of Service

1. **Disputes:** If Subscriber is on any plan, no credits or adjustments of any kind will be given for calls not connected or for dropped calls. For additional information please see "Service Availability".
2. **Suspending Service:** Company will not suspend service if Subscriber's phone is lost, stolen, misplaced, or broken. The expiration date on Subscriber's account cannot be changed or extended for any reason.

3. **Company's Right to Terminate Service:** Company has the right to monitor all usage on active accounts. Subscriber may not use services to make or transmit any unsolicited commercial voice calls, text messages, etc. Company reserves the right to restrict, suspend or terminate service to Subscriber's number, without notice and at the Company's sole discretion if the Company suspects fraudulent, illegal or abusive activity, if Subscriber fails to maintain an appropriate account balance for applicable charges, if Subscriber harasses Company employees and/or other Company Subscribers, or if Subscriber makes repeated and unjustified calls to Company's Customer Service.
4. **Cancellation Policy:** In order to cancel service, Subscriber must verify that Subscriber is the account holder and submit a request in writing by mail or by fax to 318.908.9996 or Subscribers may call Customer Service at 888.777.4007 to cancel service. Subscriber will not be entitled to any type of credit for the unused portion of the account balance if Subscriber decides to cancel service prior to the end of a 30 day service period.

D. Other Service Requirements

1. **Account Balance:** Airtime cannot be moved from one phone number to another phone number whether the number is associated with service provided by the Company or by some other wireless service provider. All airtime (airtime associated with a particular plan, as well as additional purchased minutes, text messages or other services) expires at the end of each 30-day cycle whether Subscriber uses the airtime or not. Additional airtime purchased separately is available for a 30-day period from the date of purchase.
2. **Release of Information:** Company may release information about Subscriber's account when Company believes release is appropriate to comply with the law (i.e. Lifeline databases, subpoena, court order, E911 information etc.). There will be no call histories released to Subscribers for any reason.
3. **PUK Codes:** Please contact our US based Customer Service at 888.777.4007 if the phone asks for a PUK code.
4. **Phone Codes:** If the phone is asking for ANY codes Subscriber is not aware of, do not attempt guessing any codes because it may disable your phone
5. **Account Information:** Subscribers are responsible for protecting the security of their accounts. Company recommends that Subscriber not provide their four digit account security code to any other person in order to prevent other persons from making unauthorized changes to the account. Any person that is able to verify Subscriber's mobile number, and/or account information is considered to have been authorized by Subscriber to make changes to the account.

6. **Porting Policy:** Company offers number portability to its Subscribers at no charge. Company does not guarantee that number transfers to or from Company will be successful. If Subscriber requests to port a number out to another company, that is considered a request by Subscriber to Company to terminate all of the services associated with that number. Subscriber's remaining airtime will be forfeited and Subscriber will not receive a credit for the remaining balance. Company will not release Subscriber's wireless number to another carrier without proper verification. If Subscriber is attempting to change service providers, Subscriber will need to verify the four-digit pin as well as the ESN number in order to transfer an account.

more than one Lifeline service or if another member of Subscriber's household is receiving a Lifeline benefit. Subscriber understands that failure to provide such notice may result in penalties.

- j. Toll restriction is provided on all eligible accounts at no charge.
- k. If no usage appears on a Lifeline Subscriber's account during any continuous 60-day period, Company will promptly notify the Subscriber that the Subscriber is no longer eligible for the Company's Lifeline services subject to a 30-day grace period. If the prepaid Subscriber's account does not show any Subscriber-specific activity during the grace period (such as making or receiving a voice call or purchasing additional minutes or services for the Subscriber's existing Lifeline account), Company will de-enroll Subscriber from Lifeline services. In addition, the Company will not seek to recover a federal Universal Service Fund subsidy for any free minutes provided to the Subscriber during the grace period or thereafter report that Subscriber on its USAC Form 497.

Company will promptly investigate any notification that it receives from USAC or the MoPSC that one of its Subscribers already receives Lifeline service from another carrier. Should the Company's investigation conclude that the Subscriber receives Lifeline services from another carrier in violation of the FCC regulations, or if otherwise directed or informed by USAC, the MoPSC, or the National Lifeline Accountability Database, Company will immediately notify the Subscriber and de-enroll Subscriber from Lifeline services.
