NOTICE CONCERNING SUPPLEMENT TO APPLICATION

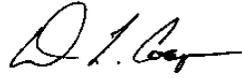

COMES NOW Confluence Rivers Utility Operating Company, Inc. (“Confluence Rivers”), by and through the undersigned counsel, and, for its *Notice Concerning Supplement to Application*, states as follows to the Missouri Public Service Commission (“Commission”):

1. On November 11, 2025, Confluence Rivers filed an *Application and Motion for Waiver* requesting that the Commission approve its acquisition of the sewer system assets of the currently unregulated system of Swan Lake Estates, LLC (“Swan Lake”). Confluence Rivers seeks a Certificate of Convenience and Necessity (CCN) to operate the system and provide service to the public.
2. The Application explained that Swan Lake owns a sewer system serving two mobile home parks in Lafayette County, Missouri – Swan Lake Estates and Bates City Mobile Home Park. Moreover, it was indicated that Bates City MHP pays a wholesale rate to Swan Lake and did not contemplate the purchase of any portion of Bates City MHP’s collection system.
3. In response to communications with the Missouri Department of Natural Resources, Confluence Rivers has reached an agreement to purchase a lift station and downstream collection lines associated with the Bates City MHP. Accordingly, Confluence Rivers plans to file in the near future a motion for leave to supplement its application.

4. This matter has been discussed with the Staff of the Commission. Given that Staff's recommendation is currently due on January 20, 2026, Confluence Rivers expects Staff to request an extension of that date, to which Confluence Rivers does not object.

WHEREFORE, Confluence Rivers respectfully requests the Commission consider this Notice and issue such orders, if any, as it may find to be reasonable and just.

Respectfully submitted,
