Dear Director Schappe and Commissioner Zellers:

Re: Notice of Receipt of Petition to Amend Proposed Rule 20 CSR 4240-10.035

As required by Section 536.041, RSMo 2016, the Missouri Public Service Commission is writing to inform you that on January 15 and 16, 2026, Elizabeth Peterson filed documents at the Commission.

The documents in question the Commission is currently interpreting as a petition asking to revise and amend 20 CSR 4240-10.035 Residential Advanced Meter or Hub Meter Opt-Out, one of our recent rulemakings that recently went through the public hearing process required for rules in Chapter 536.

This regulation, which the Commission is promulgating as required by SB4 and the changes therein specifically to Section 386.820.3, RSMo (effective August 28, 2025), is not yet effective. The Order of Rulemaking for the rule was filed with the Joint Committee on Administrative Rules on January 7, 2026, in accordance with the procedures set out in Section 536.024, RSMo. The Commission will consider Elizabeth Peterson's petition and may take further action as appropriate.

In compliance with the statute, I have attached a copy of Ms. Peterson's filings.

Sincerely,

A handwritten signature in black ink that reads "Nancy Dippell". The script is cursive and fluid, with the first name "Nancy" and last name "Dippell" clearly distinguishable.

Nancy Dippell
