

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Confluence)
Rivers Utility Operating Company, Inc., for a)
Certificate of Convenience and Necessity to)
Provide Sewer Service in an Area of Lafayette)
County, Missouri (Swan Lake Estates))

File No. SA-2026-0125

MOTION FOR EXTENSION OF TIME TO FILE STAFF RECOMMENDATION

COMES NOW, the Staff of the Missouri Public Service Commission (“Staff”) and for its *Motion for Extension of Time to File Staff Recommendation*, states as follows:

1. On November 11, 2025, Confluence Rivers Utility Operating Company, Inc. (hereafter “Confluence Rivers” or “the Company”) filed an application requesting the acquisition of the sewer system assets of the currently unregulated system of Swan Lake Estates, LLC (“Swan Lake”) in Lafayette County, Missouri. Confluence Rivers seeks a Certificate of Convenience and Necessity (“CCN”) to operate the system and provide service to the public. It also requested a waiver of the Commission’s 60-day notice of case filing requirement

2. On November 12, 2025, the Commission issued an *Order Directing Notice, Setting Intervention Deadline, and Directing Staff Recommendation*; in its Order, the Commission directed Staff to file a recommendation, or a status report stating when it expects to file its Recommendation, regarding the Company’s application no later than December 19, 2025.

3. On December 18, 2025, Staff filed a request for an extension of time to file its recommendation, and on December 19, that Motion was granted. Staff was ordered to submit its recommendation no later than January 20, 2026.

4. On January 16, 2026, Confluence Rivers filed a *Notice Concerning Supplement to Application*, indicating that it plans to file a motion for leave to supplement its application in the near future with regard to the acquisition of the Bates City Mobile Home Park.

5. Confluence's proposed actions and newly filed Motion have spurred the need for further investigation.

6. In order to provide sufficient time to conduct further discovery and complete its investigation, Staff requests an additional 45 days in which to complete and file its recommendation. That being said, Staff will endeavor to complete its review prior to any newly established filing date.

WHEREFORE, Staff respectfully submits this *Motion for Extension of Time to File Staff Recommendation* for the Commission's information and consideration and hereby prays the Commission order Staff to file its recommendation in this matter an additional 45 days; and to grant such other and further relief as the Commission considers just and reasonable in the circumstances.

Respectfully submitted,

/s/ Carolyn H. Kerr
