Case No. SA-2026-0125

ORDER GRANTING EXTENSION FOR STAFF RECOMMENDATION

Issue Date: January 20, 2026

Effective Date: January 20, 2026

On November 11, 2025, Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) filed an application to acquire the sewer system assets of Swan Lake Estates, LLC (Swan Lake). The Commission directed its Staff (Staff) to file a recommendation by December 19, 2025, subsequently extended to January 20, 2026.

On January 16, 2026, Confluence Rivers filed a *Notice Concerning Supplement to Application*, indicating that it plans to supplement its application in the near future regarding the acquisition of the Bates City Mobile Home Park. Confluence Rivers stated that it did not object to the expected request for extension by Staff.

On January 20, 2026, Staff filed a request for an extension of time of 45 days. Staff explained that Confluence’s proposed supplement has spurred the need for further investigation and requested an additional 45 days to file its recommendation.

The Commission finds the requested extension to be reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff’s request for an extension of time is granted. Staff shall submit its recommendation no later than March 6, 2026.

2. This order shall be effective when issued.
