Case No. SA-2026-0125

ORDER SETTING TIME FOR RESPONSES

Issue Date: January 30, 2026

Effective Date: January 30, 2026

On November 11, 2025, Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) filed an application requesting that the Commission approve its acquisition of the sewer system assets of Swan Lake Estates, LLC (Swan Lake). The Swan Lake sewer system serves two mobile home parks in Lafayette County, Missouri – Swan Lake Estates and Bates City Mobile Home Park.

On January 29, 2026, Confluence Rivers filed a *Motion for Leave to Supplement Application* (Motion). The Motion explains that Confluence Rivers’ application only contemplated the purchase of Swan Lake’s sewer system and did not include the purchase of any portion of Bates City Mobile Home Park’s wastewater collection system.

The Motion states that the Missouri Department of Natural Resources (DNR) indicated that Bates City Mobile Home Park’s wastewater collection system is considered connected (by lift station) to the Swan Lake sewer system. As such, the Bates City Mobile Home Park’s collection lines and related infrastructure needed to be included in the sale of Swan Lakes Estates sewer system assets. The Motion states that Confluence Rivers

has reached an agreement to purchase the Bates City Mobile Home Park's lift station and downstream collection lines at issue.

The Commission will set a time for responses to the Motion's request to supplement Confluence Rivers' application.

THE COMMISSION ORDERS THAT:

1. Responses to the Motion shall be filed no later than February 9, 2026.
2. This order shall be effective when issued.
