RE: Liberty Utilities (Missouri Water) LLC d/b/a Liberty (Water and Sewer)
Case Nos. WR-2024-0104 and SR-2024-0105

Dear Judge Dippell:

On December 30, 2025, Liberty filed certain tariff sheets consisting of revised maps and legal descriptions, by tariff book, to comply with the Commission's *Order Approving Stipulation and Agreement* and paragraph 18 of the Stipulation and Agreement in the above-referenced dockets (tracking numbers JW-2026-0079 and JS-2026-0080).

The tariff sheets currently bear a proposed effective date of March 1, 2026, and Staff's recommendation regarding the tariff sheets is due February 3, 2026. Liberty and Staff have continued to discuss the tariff sheets and possible changes to the maps and legal descriptions, and Liberty intends to file certain substitutes. Additional time is needed, however. As such, Liberty is voluntarily extending the proposed effective date of the tariff sheets by an additional thirty days, to March 31, 2026.

Please contact me with any questions or concerns.

Sincerely,

Diana Carter
