RE: Raytown Water Utility Small Company Rate Increase Request
MO PSC Case No. WR-2025-0294

Dear Secretary:

Enclosed for filing with the Commission is tariff sheet P.S.C. MO No.6, Cancelling Original Sheet No. 5 that include rate and language changes reflected in the Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Neal Clevenger (Company), the Commission Staff (Staff) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on August 6, 2025 under the provisions of the Commission's small company rate increase procedure.

Since the above-referenced Disposition Agreement is between the Company and Staff, the enclosed tariff sheet bears an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$900,000 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,
Raytown Water Company

Neal Clevenger
President/General Manager
