SPIRE MISSOURI’S SUPPLEMENTAL RESPONSE

COMES NOW Spire Missouri Inc. (“Spire Missouri” or the “Company”) and submits this response and the attached Supplemental Exhibit A, stating the following:

1. On September 30, 2025, the Commission opened a working docket to review currently existing utility affordability programs.

2. On October 1, 2025, the Commission directed utilities to provide information on their respective affordability programs no later than November 14, 2025. Utilities were specifically asked to complete a spreadsheet that would provide details regarding their respective assistance programs.

3. On November 14, 2025, Spire Missouri filed its initial response to Commission’s order and its completed spreadsheet. In that spreadsheet, labeled Exhibit A, Spire Missouri noted that it would have to supplement information about some of its assistance programs. The attached Supplemental Exhibit A provides the additional information and revises the DollarHelp Shareholder funding source.

WHEREFORE, Spire Missouri respectfully requests that the Commission accept this filing and the attached Supplemental Exhibit A.

Respectfully submitted,
