

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Petition of)	
Missouri-American Water Company for)	File No. WR-2025-0345
Approval to Establish a Water and Sewer)	JW-2026-0114
Infrastructure Rate Adjustment)	JS-2026-0115

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (“MAWC”), and for its *Motion for Expedited Treatment* pursuant to Commission Rule 20 CSR 4240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. MAWC filed its petition on September 3, 2025, seeking to establish water and sewer infrastructure rate adjustments (“WSIRA”) under Sections 393.1500-1509, RSMo. On September 8, 2025 the tariff sheets – Tracking Nos. JW-2026-0029 and JS-2026-0030 – were suspended by the Commission until March 2, 2026 (the maximum time permitted under Section 393.1509.2(3), RSMo (180 days)). After objection by the Office of the Public Counsel, a procedural schedule was adopted by the Commission, both written direct testimony and rebuttal testimony were filed, and an evidentiary hearing was held.

2. By a *Report and Order* (“Order”) issued on February 19, 2026, the Commission authorized MAWC to establish WSIRAs for water and sewer service and to file tariff sheets to recover WSIRA revenues and rates as set out in the exemplar tariff sheets attached to the Company’s December 9, 2025, response to Staff’s recommendation. (Report and Order, pp. 14-15).

3. The revised WSIRA tariff sheets have been filed this date and identified by the Commission as Tracking Nos. JW-2026-0114 and JS-2026-0115. Although the tariffs bear an

effective date 30 days after issuance, MAWC requests that the tariffs be allowed to take effect for service rendered on and after March 1, 2026, or as soon thereafter as is reasonable.

4. Pursuant to Commission Rule 20 CSR 4240-2.080(14), MAWC submits that the tariff sheets are being filed in compliance with the Commission's *Order*; and the tariff sheets would implement rates in accordance with Sections 393.1500-1509, RSMo. in regard to plant that has been placed into service between June 1, 2025 and October 31, 2025, and is currently used and useful and providing service to customers. Therefore, a grant of this Motion would provide rate recognition of this plant at a rate recognized by statute and is in the public interest. MAWC further states that this Motion is being filed as quickly as possible after the Commission issued its *Order*.

WHEREFORE, MAWC respectfully requests an order of the Commission granting this motion and allowing the revised WSIRA tariff sheets, Tracking Nos. JW-2026-0114 and JS-2026-0115 to take effect for service rendered on and after March 1, 2026, or as soon thereafter as is reasonable. MAWC requests such additional relief as is necessary or appropriate under the circumstances.
