_____) Case No. _____
(Name of Applicant))
)
for change of electric supplier.)

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 17651 and 17601 B Highway
Boonville , Missouri 65233

2. The name of Applicant's current electric service provider is:
Ameren

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier
from Ameren
to COMO Electric (Current)
(Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons:*

The property was purchased out of bankruptcy and has not had service for
2 or 3 years. Vandals have all but destroyed 2 of the 3 structures.

The plan is to demolish the main hospital building and possibly
the office building.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider:

Have personally met with both utilities and both have service to the property.

Ameren on the north and south sides and COMO on the south property line.

Ameren is requiring new meter sets but their service goes to the

building (buildings) being demolished.

COMO is willing to provide totally new service.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.

*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
