In support of this Application, the Company states the following:

2. On October 19, 2009, in Case No. CA-2010-0098, the Commission granted CBAD a Certificate of Service Authority to provide basic local and non-switched local exchange telecommunications services.
3. On November 21, 2017, the Commission recognized the name change of CBAD to CBTS Technology Solutions and filed orders to that effect in Case Nos. CN-2018-0121 and XN-2018-0119.

5. The Certificate of Good Standing for CBTS-TS is incorporated herein by reference and as filed in Case No. XN-2018-0119.

6. CBTS-TS no longer provides intrastate telecommunications services in the state of Missouri and no longer has intrastate telecommunications service customers in Missouri.

7. CBTS-TS has no intention of acquiring any new customers for intrastate telecommunications services.

8. Given that CBTS-TS has no active customers in Missouri, it seeks waiver of any customer notification requirement.

9. CBTS-TS does not have any pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment or decision has occurred within three (3) years of the date of the application. CBTS-TS does not, to the best of the Company's knowledge, have any overdue annual reports or assessment fees.

10. The Company submits that the surrender of CBTS-TS' Certificates are reasonable, necessary and not disruptive to the present or future public interest, convenience and necessity of the State of Missouri.
