

Clifton B Gilliland, St. Louis, MO.

I am writing to inform you of my support for the Spire STL Pipeline (docket number CP17-40-007). On behalf of the people of St. Louis, and a faithful tax payer of this city, I demand that you extend the approval for the pipeline to operate for the full winter (and beyond) heating season so that families can stay safe and warm this winter.

Clifton Gilliland
