## ORDER SETTING PROCEDURES FOR DISCOVERY CONFERENCES

Issue Date: March 19, 2026

Effective Date: March 19, 2026

On March 18, 2026, the Commission issued its order establishing a procedural schedule for this case. That schedule ordered several discovery conferences, but did not specify a time for those conferences. Similarly, the order did not provide for cancellation of discovery conferences in the absence of any discovery issues.

Accordingly, the Commission will set times and cancellation procedures for discovery conferences.

### THE COMMISSION ORDERS THAT:

1. All scheduled discovery conferences will be held at 10:00 a.m. via Webex. Information necessary to attend Webex discovery conferences will be provided to counsel of record prior to any discovery conference.

2. Not less than three business days before each discovery conference, any party that has a discovery disagreement or concern involving another party shall file a brief statement describing that disagreement or concern and identifying any other parties involved. Any party may attend a discovery conference, but only those parties involved in an identified discovery disagreement must attend. If the parties do not identify any discovery disagreements or concerns as described herein, the presiding officer may cancel the conference.

3. This order shall be effective when issued.
