RE: Confidential Direct Schedule MKG-2 (pages 17 through 253) of Monica Gloodt

The information provided is designated “Confidential” in accordance with Commission Rule 20 CSR 4240-2.135(2)(A)4, as it contains marketing analyses or other market-specific information relating to services offered in competition with others, including detailed information at the resource level and market negotiated prices and conditions that could result in anti-competitive behavior that might unreasonably impact the competitive process. The confidentiality shall be maintained consistent with Rule 2.135 and/or Section 386.480, RSMo., as the case may be.
