**ORDER APPROVING STAFF’S PRUDENCE REVIEW**

Issue Date: April 13, 2026

Effective Date: May 13, 2026

On November 3, 2025, the Staff of the Commission (Staff) filed notice that it started its second prudence review of The Empire District Electric Company d/b/a Liberty’s costs associated with Demand-Side Programs Investment Mechanisms (DSIM) for Cycle 1 Energy Efficiency Programs. DSIMs are authorized pursuant to Section 393.1075, RSMo, which is the Missouri Energy Efficiency Investment Act (MEEIA).

Commission Rule 20 CSR 4240-20.093(11) requires that Staff conduct prudence reviews of an electric utility’s costs recovered through its DSIM, no less frequently than every twenty-four months. On April 1, 2026, Staff filed its Report of the prudence review, (Report). The Report addresses the period of October 1, 2023, through September 30, 2025 (Review Period).

Staff examined whether Liberty prudently incurred program costs, throughput disincentive, earnings opportunity, and interest costs associated with the MEEIA 2022 Plan for the Review Period.

Commission Rule 20 CSR 4240-20.093(11)(B) requires Staff to file its recommendation regarding the prudence review no later than 150 days after it initiates

the review. Pursuant to the same rule, other parties to the case have 160 days to request a hearing.

In a prudence review, Staff considers whether a reasonable person in the same circumstances as those the utility experienced at the time of its decisions would find that the information relied on, and the processes employed for those decisions were reasonable, without the benefit of hindsight. If Staff finds the utility's reliance on either that information or those processes imprudent, Staff then considers whether that imprudence caused harm to ratepayers. During its review, Staff found no evidence of imprudence by Liberty. No responses to Staff's report were received.

The Commission finds Staff's Report regarding its prudence review of Liberty's costs recovered through its DSIM, incurred during the Review Period, to be reasonable. No party has requested a hearing or opposed or objected to Staff's recommendation. Therefore, the Commission will approve Staff's report.

**THE COMMISSION ORDERS THAT:**

1. Staff's Report regarding the prudence of costs recovered through its DSIM for the Review Period of period of October 1, 2023, through September 30, 2025 is approved.
2. This order shall become effective on May 13, 2026.
3. This case shall be closed on May 14, 2026.
