

# BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of the Application of Summit )  
Natural Gas of Missouri, Inc. for Approval ) Case No. GO-2012-0322  
of Its Cost Allocation Manual )

## ORDER GRANTING MOTION TO DISMISS

Issue Date: April 14, 2026

Effective Date: May 14, 2026

On March 28, 2012, Summit Natural Gas of Missouri, Inc. (SNGMO) filed an application for approval of its Cost Allocation Manual (CAM), which regulates the purchase of goods or services from an affiliated entity. Subsequently, this case has been stayed primarily due to expected revisions to the Commission's rules governing affiliate transactions.

On April 13, 2026, the parties filed their *Status Report and Motion to Dismiss* (Motion), which indicates that the expected rule revisions have been accomplished.<sup>1</sup>

The Motion explains that SNGMO will be filing a new application for approval of its CAM – which, in compliance with the revised rules, will be filed in its first general rate case after May 30, 2025, or within two years after the rule's effective date. Therefore, the parties request that the present case be dismissed.

Because testimony has been filed in the case, Commission rules only permit dismissal by leave of the Commission, or by written consent of all parties.<sup>2</sup> Because the Motion is filed on behalf of all parties, the Commission will grant the unanimous request and dismiss the case.
