### Experience

#### Vice President

ConnectGen LLC  
July 2018 – Present (2 months)

Project and business development for renewable energy projects in North America.

#### Vice President

Clean Line Energy Partners  
June 2010 – Present (8 years 3 months) | Kansas City, Missouri Area

Leading the Development of the Grain Belt Express Clean Line - a wind energy delivery project to address our nation's growing demand for low-cost clean energy.

Responsible for the strategy, planning and execution of the Grain Belt Express Clean Line, a direct current transmission line that will connect the rich wind resources of Kansas to Missouri, Illinois, Indiana and markets farther east.

#### Project Manager
