## EXHIBIT INDEX AND SUMMARY OF BILLING DISPUTE COMMUNICATIONS

**Submitted by:**  
Brett Felber  
Complainant

### I. PURPOSE OF EXHIBIT

This Exhibit is submitted to document and establish that Complainant provided clear, timely, and repeated notice to Ameren Missouri of a billing dispute concerning a specific amount, consistent with Missouri Public Service Commission rules governing disputed utility charges.

### II. SUMMARY OF DISPUTED AMOUNT

The Complainant explicitly identified and placed into dispute the following amount:

██████████

This amount was referenced as "in dispute," "in suspense," and subject to Commission determination in Case No. EC-2026-0218.

### III. EXHIBITS

**Exhibit A**  
Email dated April 6, 2026 (3:55 PM)  
*Statement of Disputed Amount*

"Technically ██████████ should be in dispute..."

This communication constitutes explicit notice identifying the precise amount in dispute.

**Exhibit B**  
Email dated April 6, 2026 (7:29 PM)  
*Suspense and Suspension Request*

"The amount in suspense is supposed to be the ██████████."  
"Suspend the ██████████ until the Commission rules..."

This communication reinforces the dispute and requests suspension of collection pending Commission review.

**Exhibit C**

Email dated April 2, 2026 (10:27 AM)

*Billing Inquiry*

Establishes context of billing irregularities and requests for documentation.

**Exhibit D**

Email dated April 8, 2026 (4:04 PM)

*Disconnect Notice Transmission*

Documents disconnection-related activity after dispute notice.

## **IV. REGULATORY SIGNIFICANCE**

- 1 The Complainant clearly identified a specific disputed amount.
- 2 Notice was directly provided to Ameren Missouri representatives.
- 3 The dispute was tied to a pending Commission proceeding.
- 4 The amount was designated as “in suspense.”

## **V. CONCLUSION**

The exhibits establish that Ameren Missouri had clear notice that [REDACTED] was disputed and should not be subject to collection pending Commission review.

Respectfully submitted,

Brett Felber  
Complainant
