How about we talk at the conclusion of the second forum? I will look for you when it is over.

Yes, I plan to attend both sessions and could visit immediately before or after either.

Paul – thanks for the information. Are you attending one of the sessions tomorrow? Wondering if we could catch up then on this at that time?

Kim and Brian--

Attached is a simple explanation of what we are requesting be included in your MEEIA filing. We are requesting the same of Ameren. We can provide more detail as needed, but wanted to get it in your hands before the filing is fully baked.

Also, Chuck had indicated your trade ally meeting would be in the next couple of weeks but we have not received notification of any dates/times. If something has been set, let us know.

We're always happy to discuss this or other issues.

thanks
