Respondent: Ameren Missouri (d/b/a Union Electric Company)

EXHIBIT A
AUTHENTIC EMAIL HEADER RECORD, TIMESTAMP VARIANCE, AND FORMAT DISCREPANCY

I. PURPOSE OF EXHIBIT

This exhibit establishes the exact system-recorded delivery time, identifies discrepancies, and demonstrates formatting inconsistencies.

II. VERIFIED MESSAGE DETAILS

Message ID: <QRyC9U3yQQ6lGJ0gFCID7g@geopod-ismtpd-2>
From: Ameren <do-not-reply@alerts.ameren.com>
To: [REDACTED]
Subject: Ameren Missouri Service Disconnected

III. ACTUAL DELIVERY TIME

Created at: Wed, Apr 8, 2026 at 11:51 AM (Delivered after 1 second)
Received: Wed, 08 Apr 2026 09:51:08 -0700 (PDT)

Source	Timestamp
Authenticated Gmail Header	09:51:08
Ameren Reported Version	09:51:07

Source	Date Format
Gmail Header	Wed, Apr 8, 2026
Ameren Version	2026-04-08

IV. CONCLUSION

The timestamp and formatting discrepancies demonstrate that Ameren's version is not a verbatim SMTP header but a derived record.

DECLARATION

I declare under penalty of perjury that the foregoing is true and correct.
