RE: Estate-Linked Utility Account – Draft Payment and Beneficiary Oversight

Dear Spire Energy Financial Department,

I am writing to formally notify your office of my lawful status as beneficiary and descendant heir of the estate of LATRELL SHONTA GERMANY, and to request oversight and documentation of any utility account(s) or billing activity associated with this estate name or its derivatives.

Enclosed is a Promissory Note / Draft Payment issued in good faith toward the monthly gas utility billing amount due on the account associated with the estate. This payment is to be processed through my personal checking account at [REDACTED], for deposit only.

I respectfully request that Spire Energy:

1. Apply the enclosed draft to the appropriate account.
2. Confirm receipt by completing and returning the attached Receipt Acknowledgment.
3. Enter the attached Notice of Beneficiary Interest & Payment Oversight Request into your internal records.

Should you require additional documentation or verification, I am prepared to provide notarized declarations, witness statements, and supporting legal filings.

Thank you for your attention to this matter.

Sincerely,  
Latrell Germany, Beneficiary of the Estate of LATRELL SHONTA GERMANY
