*PURPOSE: This amendment modifies the rule to update incident reporting thresholds for inflation and updates PHMSA form revision dates.*

(2) Definitions. (191.3) As used in this rule and in the PHMSA forms referenced in this rule—

(D) Federal incident means any of the following events:

1. An event that involves a release of gas from a pipeline, gas from an underground natural gas storage facility (UNGSF), liquefied natural gas (LNG), liquefied petroleum gas, refrigerant gas, or gas from an LNG facility, and that results in one (1) or more of the following consequences:

A. A death or personal injury necessitating inpatient hospitalization; or

B. Estimated property damage of *[one hundred forty-five thousand four hundred dollars (\$145,400)]* **one hundred forty-nine thousand seven hundred dollars (\$149,700)** or more, including loss to the operator and others, or both, but excluding the cost of gas lost; or

C. Unintentional estimated gas loss of three (3) million cubic feet or more;
