

**Product SKU: STP 200**

**Name: Planet Patron (FutureWind Green Tags on a 60-Month Contract)**

**Description:**

\$30 per month for FutureWind for 60 months. As a Planet Patron, your name will be prominently featured on a plaque at the base of "your" Wind turbine that you have supported. You will receive a certificate of photo of "your" wind turbine, and you will have access to a live web cam to watch "your" wind turbine spinning in the wind.

**Every 2,000 Planet Patrons allow Krystal Energy to finance a new \$1.6 Million (1.5 megawatt) wind turbine.** Your are directly reducing harmful emissions like mercury (gets in fish and food linked to autism, Alzheimer's and heart disease in adult males), nitrogen oxide (smog, ozone), sulfur dioxide (acid rain, plant water damage), carbon dioxide (leading global warming gas), and other emissions (lead, cadmium, particulate matter, etc.) that would have been generated in the production of that electricity.

**This is not a commitment to be taken lightly. Please take the time to read the Terms and Conditions.**
