JOINT STATUS REPORT

Complainant and Respondent, by and through counsel, make this further status report in compliance with the Commission’s Order dated April 2, 2026.

With respect to the anticipated work quotes bearing upon a potential resolution of this matter, the second potential provider referenced in the report dated April 16, 2026 visited Respondent’s location to develop a work estimate. No estimate has been received yet, and Respondent is continuing to follow up with that provider. Respondent will continue efforts to obtain a firm quote for work with a view toward a potential resolution.

The parties will provide a further update on May 28, 2026.

No further Commission action is requested at this time.

Respectfully submitted,
