**RE: Liberty Utilities (Midstates Natural Gas) Corp.
MoPSC Case No. GM-2012-0037**

Dear Judge Dippell:

Condition 15(g) of the Unanimous Stipulation and Agreement approved in the above-referenced case provides that after two years of operation, comprehensive peak day demand studies shall be performed no less frequently than every three years. The condition also provides that the studies are to be filed in EFIS, under the above-referenced case.

This filing is being made in accordance with the above-cited requirement. The study is also being provided directly to Staff (via the Staff Counsel email address). The confidential version of the study is designated as such pursuant to Commission Rule 20 CSR 4240-2.135(2)(A)1, as portions of the study contain customer-specific information.

Please do not hesitate to contact me with any questions or concerns you may have regarding this filing.

Sincerely,

/s/ Tatiana Earhart
