**ORDER SUSPENDING TARIFF SHEET, DIRECTING NOTICE,

TIME FOR RESPONSES**

Issue Date: May 20, 2026

Effective Date: May 20, 2026

On May 19, 2026, Spire Missouri Inc. d/b/a Spire filed an application and petition with the Commission pursuant to Sections 393.1009, 393.1012, and 393.1015, RSMo, requesting that the Commission authorize changes to the Infrastructure System Replacement Surcharge (ISRS) for its Spire Missouri East (Spire East) and Spire Missouri West (Spire West) service territories. Spire also requested a waiver of the 60-day notice requirement of Commission Rule 20 CSR 4240-4.017.

Section 393.1015.1(2), RSMo, requires that the Commission publish notice of the filings. Additionally, Section 393.1015.2(2), RSMo, allows the Commission’s Staff to examine Spire’s application and allows Staff to submit a report of its examination no later than 90 days after the petition was filed. Section 393.1015.2(3), RSMo, requires that an order from the Commission regarding ISRS applications become effective no later than 180 days after the petition is filed, which is November 15, 2026. Therefore, the Commission will give notice of this application to the general public and any interested persons and set other procedural deadlines.

Concurrent with its application, Spire filed a tariff revision, assigned Tracking No. JG-2026-0140. This tariff sheet, applicable to both Spire East and Spire West, bears an effective date of June 18, 2026. Section 393.150.1, RSMo, authorizes the Commission to suspend the effective date of proposed tariff sheets for 120 days. To conduct a hearing, Section 393.150.2, RSMo, allows the Commission to suspend the effective date for a further period not to exceed six months. The Commission's experience demonstrates that a full hearing cannot be concluded within 120 days, so the Commission will suspend the tariff sheets for 120 days plus 30 days to November 15, 2026, which is also the statutory deadline for Commission action.

Given the expedited nature of these proceedings, in similar ISRS cases the Commission has ordered Public Counsel to submit any objections to the petitions at the same time as Staff submits its report. In those instances, the Commission also shortened discovery deadlines and required Spire to provide discovery answers to Public Counsel at the same time it responded to Staff. The Commission will adopt this expedited procedure in these proceedings.

THE COMMISSION ORDERS THAT:

1. The tariff sheet filed by Spire on May 19, 2026, assigned Tracking No. JG-2026-0140, is suspended until November 15, 2026.
2. The Commission's Data Center shall provide notice of this proceeding to the county commission, or similar governing body, of all of the counties and the City of St. Louis within Spire's Missouri service areas.

3. The Data Center shall also provide a copy of this notice to the parties in Spire's latest general rate case, Case No. GR-2025-0107.

4. The Commission's Public Policy and Outreach Department shall make notice of this order available to the media serving Spire's Missouri service areas.

5. Any entity wishing to intervene shall file an application to do so no later than June 3, 2026.

6. No later than August 17, 2026, Staff shall file its recommendation.

7. The Office of the Public Counsel, and any other party, shall file any objections to the application or hearing requests no later than August 17, 2026.

8. No later than August 24, 2026, Spire shall respond to Staff's recommendation and any other objections or recommendations.

9. Any other party wishing to respond or object to Staff's recommendation or other objections or recommendations shall do so no later than August 24, 2026.

10. The response times for discovery are modified as follows: for data requests issued after this order, the discovery response time is reduced to fifteen days to answer and eight days to object or provide reasons for a party's inability to answer.

11. This order is effective when issued.
