CONFLUENCE RIVERS' NOTICE OF INTENDED CASE FILING

COMES NOW Confluence Rivers Utility Operating Company, Inc. ("Confluence Rivers"), pursuant to Commission Rules 20 CSR 4240-4.017 and 20 CSR 4240-10.185, files this *Notice of Intended Case Filing* and respectfully states as follows to the Missouri Public Service Commission ("Commission"):

1. Confluence Rivers is a Missouri corporation, active and in good standing with the Missouri Secretary of State, with its principal office and place of business at 1630 Des Peres Rd., Suite 140, St. Louis, MO 63131. Confluence Rivers currently provides water service to approximately 6,500 customers and sewer service to approximately 7,400 customers in several counties throughout the state of Missouri. Confluence Rivers is a "water corporation," a "sewer corporation" and a "public utility" as those terms are defined in Section 386.020, RSMo and is subject to the jurisdiction and supervision of the Commission as provided by law. Confluence Rivers has no overdue Commission annual reports or assessment fees.

2. Commission Rule 20 CSR 4240-4.017(1) provides, in part, as follows:

Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission and shall include a summary of all communication regarding substantive issues likely to be in the case between the filing party and the office of the commission that occurred in the ninety (90) days prior to filing the notice.

3. It is Confluence Rivers' intent to file a petition, proposed water and sewer infrastructure rate schedules, and supporting documentation pursuant to §393.1509, RSMo, to establish a Water and Sewer Infrastructure Rate Adjustments (WSIRA).

4. Issues likely to be before the Commission in the upcoming WSIRA case include the examination of the information provided by Confluence Rivers to confirm the underlying costs related to the proposed Water and Sewer Infrastructure Rate Adjustments and the proper calculation of the proposed charges.

5. No communications regarding substantive issues likely to be in this case have taken place between Confluence Rivers and the office of the Commission in the ninety (90) days prior to this filing, other than those that were the subject of Commission Cases Nos. SA-2026-0268, SA-2026-0248, SA-2026-0125, and WA-2026-0054.

WHEREFORE, Confluence Rivers submits to the Commission and its Secretary this *Notice of Intended Case Filing*.

Respectfully submitted,
