

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Request of The Empire                    )  
District Electric Company d/b/a Liberty for                    )  
Authority to File Tariffs Increasing Rates                    )            Case No. ER-2024-0261  
For Electric Service Provided to Customers                    )  
In its Missouri Service Area                                        )

**RESPONSE TO COMMISSION ORDER:  
LIBERTY’S FOURTH ARREARAGE FORGIVENESS PROGRAM STATUS REPORT**

COMES NOW The Empire District Electric Company d/b/a Liberty (“Liberty” or the “Company”), and for its Fourth Arrearage Forgiveness Program Status Report, Liberty respectfully states as follows to the Missouri Public Service Commission (the “Commission”):

1.       Ordered paragraph 7 of the *Report and Order* provides as follows: “Empire shall file monthly status reports on the progress toward designing the Arrearage Forgiveness program and awarding the \$8.5 million in associated credits with the first report due 30 days from the effective date of this order.”

2.       On March 10, 2026, the parties<sup>1</sup> met and discussed Liberty’s straw-man approach, which included proposed eligibility parameters for forgiveness credits as well as potential requirements associated with the arrearage forgiveness customer adjustments. During the discussion, the non-Company parties indicated that they planned to confer among themselves regarding next steps, after which the parties would reconvene as a group. Following the meeting, Liberty provided the straw-man document that was reviewed during the discussion.

3.       On April 20, 2026, Liberty provided the information requested during the initial discussion. Additionally, since provision of the initial straw-man, the Company continued to evaluate options to utilize and apply the arrearage forgiveness program most effectively.

---

<sup>1</sup> The Empire District Electric Company, the Staff of the Commission, the Missouri Office of the Public Counsel, and the Missouri Consumers Council participated in this meeting.

Consistent with that ongoing review, the Company provided additional potential eligibility criteria for the parties' consideration.

4. As of May 26, 2026, Liberty has not received any comments regarding the information and proposal provided on April 20. Liberty will continue to engage with the non-Company parties consistent with the *Report and Order* and file monthly status reports herein.

WHEREFORE, Liberty respectfully submits this Response to Commission Order. No action on the part of the Commission is requested at this time.

Respectfully submitted,

ATTORNEYS FOR THE EMPIRE DISTRICT  
ELECTRIC COMPANY d/b/a LIBERTY
