ORDER DIRECTING FILING

Issue Date: June 5, 2026

Effective Date: June 5, 2026

On May 20, 2026, the Commission received letters and proposed tariff sheets advising it of name changes for several related telecommunications service providers as captioned above. The filings appear to meet the basic requirements for a registered or certificated communications company name change pursuant to Commission Rule 20 CSR 4240-28.011(2).

However, on June 2, 2026, the Staff of the Commission (Staff) filed its *Staff Notice* indicating that the above companies have also been designated as eligible telecommunications carriers (ETCs) under Section 214(e)(1)-(2) of the Federal

Communications Act of 1934, as amended,¹ to receive funds from the Federal Universal Service Fund. N.W. Communications Co. was granted ETC designation in Case No. CA-2023-0085. Holway Telephone Company and KLM Telephone Company were granted ETC designation in Case No. TO-98-49.

ETCs have additional name change requirements pursuant to Commission Rule 20 CSR 4240-31.015(2). Staff states that the above captioned companies failed to provide a statement of continuing compliance with all applicable ETC rules and regulations and failed to include a copy of the customer notice of the name change – which are required under subsections (C) and (E) of the rule. Staff requested that the companies be ordered to file a supplemental filing correcting these deficiencies.

The Commission finds Staff's request reasonable and will grant it. The Commission will order N.W. Communications Co., Holway Telephone Company, and KLM Telephone Company to file the required statements of continuing compliance with all applicable ETC rules and regulations, and copies of the customer notice of name change in their respective cases.²

THE COMMISSION ORDERS THAT:

1. In Case No. TN-2026-0317, N.W. Communications Co. shall file a statement of continuing compliance with all applicable ETC rules and regulations, and a copy of the customer notice of name change no later than June 15, 2026.

¹ 147 U.S.C. § 214(e)(2).

² The Commission notes that failure to comply with ETC rules and regulations may affect the companies' ETC designation.

2. In Case No. TN-2026-0319, Holway Telephone Company shall file a statement of continuing compliance with all applicable ETC rules and regulations, and a copy of the customer notice of name change no later than June 15, 2026.

3. In Case No. TN-2026-0321, KLM Telephone Company shall file a statement of continuing compliance with all applicable ETC rules and regulations, and a copy of the customer notice of name change no later than June 15, 2026.

4. This order shall be effective when issued.
