NOTICE OF EXTRA-RECORD COMMUNICATION

Issue Date: March 8, 2011

On March 8, 2011, I received a phone call from Jeannine Wright, a resident of Moberly, Missouri and a customer of Ameren Missouri. Ms. Wright explained that she had missed the March 7 local public hearing in Moberly and attempted to tell me what she would have said at the hearing. I explained to her that I could not take her testimony at this time and that because I was the judge in the case, I could not discuss Ameren Missouri's rate increase request with her. She had specific questions about the rate increase request so I referred her to the Office of the Public Counsel

This communication occurred outside of the contested hearing process, and Commission Rule 4 CSR 240-4.020 requires that the communication be disclosed. Commission Rules 4 CSR 240-4.020(3) and (4) require the person initiating an extra record communication to file a notice regarding the communication. Because Ms. Wright may not be familiar with the intricacies of the Commission's rules, I am filing this notice.
