

APPENDIX 1

TERRITORIAL AGREEMENT

Between

Evergy Missouri West

and

Central Missouri Electric Cooperative, Inc

TERRITORIAL AGREEMENT

THIS AGREEMENT is made and entered into as of this 24th day of June 2026, by and between Evergy Missouri West, a Missouri corporation, with its principal office located at 1200 Main Street Kansas City, Missouri ("Evergy") and Central Missouri Electric Cooperative Inc., a Missouri rural electric cooperative organized and existing pursuant to Chapter 394, RSMo. with its office located at 22702 North Highway 65, Sedalia, Missouri ("CMEC"). Evergy and CMEC shall hereinafter be referred to, each individually, as "Party," and, collectively, as the "Parties."

WITNESSETH:

WHEREAS, Evergy and CMEC are authorized by law to provide electric service within certain areas of Missouri, including Pettis County; and

WHEREAS, Sections 394.312 and 416.041 RSMo., provides that competition to provide retail electrical service as between rural electric cooperatives such as CMEC and electrical corporations such as Evergy may be displaced by written territorial agreements; and

WHEREAS, Evergy and CMEC desire 1) to promote the orderly development of retail electrical service within a portion of Pettis County, Missouri, 2) to avoid unnecessary duplication of electrical facilities therein, and 3) to assist in minimizing territorial disputes between themselves; and

WHEREAS, Evergy and CMEC believe that this Agreement is beneficial to the public interest; and

WHEREAS, this Agreement does not require any customer of either Evergy or CMEC to change its supplier; and

NOW, THEREFORE, Evergy and CMEC, in consideration of the mutual covenants and agreements herein contained, the adequacy and sufficiency of which are hereby acknowledged, agree as follows:

1. Description of Territory Affected.

A. This Agreement pertains only to the attached description of the tracts of land in Pettis County in and around the City of Sedalia, Missouri. For purposes of this Agreement, Tract 1 shall be the real property located within Pettis County, Missouri allocated to CMEC as its Exclusive Service Area. The legal description describing Tract 1 is attached hereto as Exhibit A. Tract 2 shall be the real property located within Pettis County, Missouri allocated to Evergy as its Exclusive Service Area. The legal description describing Tract 2 is attached hereto as Exhibit B.

B. This Agreement shall have no effect whatsoever upon service by CMEC or Evergy in any areas other than Tract 1, and Tract 2, (collectively, "Tracts"), as so described in Exhibits A and B.

C. The Parties anticipate that all or parts of the Tracts may become annexed into the incorporated limits of the City of Sedalia and will thus cease to be a "rural area" as defined by Section 394.020(3) RSMo, or that the Tracts may already be annexed into the City of Sedalia.

D. The attached Exhibit C contains several maps of the respective exclusive service territories.

2. Definitions.

In addition to terms defined elsewhere herein, when used herein, the following terms shall have the definitions set forth below. Words importing persons include corporations or other entities, as applicable, and words importing on the singular include the plural and vice versa when the context requires.

A. **Agreement** shall mean this document including any appendices or exhibits.

B. **Customer** shall mean any person, partnership, corporation, limited liability company, political subdivision, or any agency, board, department or bureau of the state or federal government, or any other legal entity that has requested or is receiving electric service. Any Customer who has requested or is receiving electric service at one structure shall be a new and different Customer at each structure at which electric service has been requested.

C. **Effective Date** of this Agreement shall be effective date of an order issued by the

Missouri Public Service Commission (“Commission”) pursuant to Section 394.312 approving this Agreement.

D. **Electric Power Provider** shall mean any other electric corporation and/or rural electric cooperative.

E. **Existing Structure** shall mean any structure that receives electric energy from either Party, prior to or on, the Effective Date of this Agreement. This term shall also mean (i) any replacement of an Existing Structure (“Replacement Structure”), provided that said Replacement Structure is (a) located completely within the boundary of the property on which the Existing Structure is located, (b) used for the same purpose as the Existing Structure it is replacing, and (c) the Existing Structure is totally removed from the property within six months of completion of the Replacement Structure;

(ii) any maintenance, repair, remodeling, or partial replacement of an existing structure; and

(iii) Any contiguous expansion of an Existing Structure.

F. **Laws and Regulations** shall mean all applicable statutes, regulations, codes, laws, licenses, decisions, interpretations, policy statements, regulatory guides, rules, criteria, all license requirements enforced or issued by any government, federal, state, or local, or any governmental agency, authority, or body and industry-recognized guidelines and professional standards.

G. **New Outbuilding** shall mean, if the Existing Structure’s purpose is residential, that is a detached garage, detached storage building, gazebo, detached porch, or similar structure that is not attached to the Existing Structure in question and is not a residence. If the Existing Structure's purpose is agricultural, a "New Outbuilding" is a New Structure that is a detached garage, barn, well, silo, grain bin, or similar structure that is not attached to an Existing Structure in question and is not a residence.

H. **New Structure** shall mean (i) any Structure that did not receive electric energy from either Party, prior to or on, the Effective Date of this Agreement and (ii) the replacement of an Existing Structure with a Structure that does not satisfy the definition of Existing Structure set forth herein.

I. **Structure** shall mean an agricultural, residential, commercial, industrial, or other

building or a mechanical installation, machinery or apparatus, but shall not include customer-owned meter wiring. A Structure shall include an original structure and any contiguous addition to or expansion thereto. Structure shall not include a metering device or customer-owned meter wiring.

J. **Permanent Service** shall mean electrical service provided through facilities which have been permanently installed on a structure and which are designed to provide electric service for the structure's anticipated needs for the indefinite future, as contrasted with facilities installed temporarily to provide electrical service during construction.

3. Exclusive Service Areas Established.

A. Pursuant to Section 394.312, this Agreement designates the boundaries of a portion of electric service area of Evergy and CMEC in Pettis County and in and around the City of Sedalia, Missouri, and only for purposes of this Agreement. Evergy agrees not to serve New Structures in the areas described in Section 4, hereinafter referred to as the "Exclusive Service Areas of CMEC." Likewise, CMEC agrees not to serve New Structures in the areas described in Section 5, hereinafter referred to as the "Exclusive Service Areas of Evergy." The Parties recognize and agree that this Agreement shall not apply to any service area not designated as an exclusive service area in Section 4 or 5.

B. Except as provided expressly herein, after the Effective Date, as between the Parties, each Party shall have the exclusive right to furnish electric service to all New Structures located within its respective exclusive service area described in Sections 4 and 5 of this Agreement, regardless of the size of the load or the characteristics of the customers' requirements. Except as provided expressly herein, neither Party may furnish, make available, render, or extend electric service to New Structures or for use within the exclusive service area of the other Party, either directly or indirectly, including through a parent, affiliate, or subsidiary of Evergy or CMEC, whether said parent, affiliate, or subsidiary be a corporation, limited liability company, partnership, or cooperative corporation.

C. Both Parties retain the right to furnish electric service to all Existing Structures that they are serving by either permanent or temporary electric service on the Effective Date of this Agreement, regardless of their location.

D. During the time period between the execution of this Agreement and the Effective Date of this Agreement, neither Party shall construct primary or secondary electric facilities

within the territory assigned exclusively to the other pursuant to this Agreement, (1) unless ordered to do so by the Commission or a court of competent jurisdiction, or (2) unless it is a necessary part of the provision of service to its customers in other areas; provided, however, that any such construction is within a previously established easement obtained for the purpose of providing service in other areas.

E. The Parties recognize and agree that this Agreement places limits on the Parties' abilities to distribute retail electric energy. In the event that retail wheeling of unbundled electric energy becomes available in the territory affected by this Agreement, (e.g., retail customers are permitted to choose their suppliers of electric energy), nothing in this Agreement shall be construed to limit in any way the ability of either Party to furnish electric energy to Existing Structures located in the exclusive service area of the other Party; provided, however, that the electric energy shall be delivered to said Structures by means of the electric distribution facilities of the Party in whose exclusive service area the Structures are located. Further, in the event changes in this Agreement are required due to retail wheeling of unbundled electric energy becoming available in the territory affected by this Agreement, both Parties agree to negotiate in good faith changes to this Agreement with the intention of maintaining the benefits of their previous bargain to the extent practicable. The Parties further agree to cooperate in obtaining the Commission's approval of any such modified agreement, if necessary, by making a joint application requesting such Commission approval and any other required filings related thereto.

F. In the event that a New Structure is located on the territorial boundary between CMEC's and Evergy's service territory as described in this Agreement and supporting exhibits, the first owner of the New Structure shall be permitted to choose either party for permanent electric service; provided that the meter is installed within that party's exclusive service territory. Thereafter, that party shall exclusively serve that Structure.

G. A Party may provide electric service to a New Outbuilding located in the exclusive service area of the other Party, so long as (i) the New Outbuilding is located within the contiguous tract of land on which that Party's Customer's Structure is located or (ii) the other Party consents in writing. This section shall not apply to a Customer who receives electric service from both Evergy and CMEC on the same tract of land, and requests additional electric service. The New Outbuildings for these Customers shall be served by the designated exclusive service provider, unless the Customer, Evergy, and CMEC agree otherwise and follow the procedures

set out in Section 8, Exception to Procedure.

H. When the Parties cannot agree on the boundaries of the service area as described within this Agreement, they may, by mutual consent of all Parties involved, petition the Commission to determine the boundaries and such determination shall be binding on all Parties.

I. This Agreement does not purport to affect the rights of any Electric Power Provider not a party to this Agreement.

4. Exclusive Service Area of CMEC

This agreement concerns only the properties identified herein by CMEC and Evergy. For the purposes of this Agreement, the Exclusive Service Area of CMEC, as between the Parties under this Agreement, shall be the areas in in Pettis County and in and around the City of Sedalia, Missouri described on Exhibit A attached hereto and incorporated herein.

5. Exclusive Service Area of Evergy

This agreement concerns only the properties identified herein by CMEC and Evergy. For the purposes of this Agreement, the Exclusive Service Area of Evergy, as between the Parties under this Agreement, shall be the areas in in Pettis County and in and around the City of Sedalia, Missouri described on Exhibit B attached hereto and incorporated herein.

6. Right to Construct Facilities

This Agreement shall in no way impair or affect either Party's right to construct such electric generation, distribution, and transmission facilities within the designated exclusive service area of the other as that Party deems necessary, appropriate or convenient to provide electric service to its customers not inconsistent with the terms of this Agreement and as otherwise allowed by Laws and Regulations.

7. Location of A Structure

The location of a Structure for purposes of this Agreement shall be the geographical location at which electric energy is used, regardless of the metering point or point of delivery.

8. Exception to Procedure

A. The Parties may from time to time agree to allow a New Structure or Existing Structure to receive service from one Party even though the Structure is located in the exclusive service territory of another Party. Any such agreement shall be made in the form of a mutually agreeable addendum hereto ("Addendum") and conform to all applicable legal and regulatory requirements, including but not limited to Section 394.312. The Parties may agree to exceptions on a case-by-case basis or as part of a combined agreement and shall make best efforts to advise Commission staff ("Staff") of any Addendum prior to filing with the Commission, to the extent such a filing is required. Upon filing of any addendum for approval with the Commission, the Parties shall file a service copy with the Staff and the Office of the Public Counsel.

B. Each Party, pursuant to an executed Addendum, shall have the right to provide temporary service, as defined in Section 394.315, until the Commission approves or disapproves the Addendum. No Party shall be required to remove any facilities installed pursuant to an agreement until the effective date of an order of the Commission or a court regarding the removal of same.

C. Each Addendum shall consist of a statement identifying the Structure or Structures implicated, the Party to serve the Structure or Structures, the justification for the Addendum, and indicating that the Parties support the Addendum. If the Staff, Office of the Public Counsel or other intervenor party does not submit a pleading objecting to the Addendum within forty-five (45) days of the filing thereof, the Addendum shall be deemed approved by the aforesaid Parties. Each Addendum shall contain a statement in bold uppercase typeface indicating that the Staff or the Office of the Public Counsel have forty-five (45) days to oppose the Addendum or else the Addendum shall be deemed approved by the aforesaid Parties.

9. Condition Precedent – Regulatory Approvals

This Agreement is conditioned upon receipt of approval of it by the Commission with no changes, or those changes which have been expressly agreed to by Evergy and CMEC. Either Party may file an application for rehearing or other document with the Commission prior to the effective date of a Commission order approving this Agreement if the Party objects to the form or content of the Commission's order approving the Agreement. If neither Party files such an application for rehearing or document prior to the effective date of the Commission order approving this Agreement, it shall be presumed that the approval is satisfactory in form and content to both Parties.

10. Term

The term of this Agreement shall be perpetual, unless terminated by the Parties in accordance with Section 11, Termination.

11. Termination

A. **Termination Events.** This Agreement and the transactions contemplated by this Agreement may be terminated by mutual consent of Evergy and CMEC.

B. **Effective Date of Termination.** The termination of this Agreement shall be effective on the date the Commission receives a notice, signed by both Evergy and CMEC, of their decision to terminate this Agreement.

C. **Effect of Termination.** If the transactions contemplated by this Agreement are terminated as provided herein, each Party shall pay the costs and expenses, except those costs outlined and assigned in Section 12.O. below, incurred by it in connection with this Agreement, and no Party (or any of its officers, directors, employees, agents, attorneys, representatives, or shareholders) shall be liable to any other Party for any costs, expenses, or damages; except as provided herein, neither Party shall have any liability or further obligation to the other Party to this Agreement.

12. Notices.

All notices, reports, records, or other communications which are required or permitted to be given to the Parties under this Agreement, shall be sufficient in all respect if given, in writing, and delivered in person, by overnight courier, or by registered or certified mail, postage prepaid, return receipt requested, to the receiving Party at the following address:

Notice shall be deemed given on the date of delivery, in the case of personal delivery or email, or on the delivery or refusal date, as specified on the return receipt, in the case of overnight courier or registered or certified mail.

13. Miscellaneous

A. **Assignment.** This Agreement shall be binding on the Parties and all subsidiaries, successors, assigns and corporate parents or affiliates of Evergy and CMEC. Neither Party shall make any assignment of any of its rights or interests under this Agreement

without the written consent of the other Party, which consent shall not be unreasonably withheld, and approval of the Commission. Notwithstanding the foregoing, in the event of a merger, corporate reorganization, or corporate restructuring of a Party, said Party may assign this Agreement to the corporate entity responsible for providing distribution-level electric service in the area covered by this Agreement and the consent of the other Party shall be deemed to be given. The consenting Party or Party whose consent is deemed to be given shall cooperate in obtaining approval of the assignment by (a) participating in the joint application requesting Commission approval of the assignment and (b) providing an affidavit, stating that it consents to the Assignment, for inclusion in such application.

B. **Governing Law.** This Agreement shall be governed by, construed, and enforced in accordance with, and its validity shall be determined under, the laws of the State of Missouri, without giving effect to its principles reflecting conflicts of laws.

C. **Amendments.** No modification, amendment, deletion, or other change in this Agreement or the boundaries described in the Agreement shall be effective for any purpose, unless specifically set forth, in writing, and signed by both Parties and approved by the Commission.

D. **Headings.** Headings and titles contained in this Agreement are included for convenience only and shall not be considered for purposes of interpretation of this Agreement.

E. **Impact of Commission or Court Orders.** If the Commission does not approve the provisions of this Agreement, then it shall be nullified and of no legal effect between the Parties. Further, if any part of this Agreement is declared invalid or void by a Court or agency of competent jurisdiction, then the parties shall replace such provision as similarly as possible to the provision which was declared invalid or void so as to return each of them, as much as practical, to the status quo prior to the declaration.

F. **Survival.** Obligations under this Agreement, which by their nature would continue beyond the termination, cancellation or expiration of this Agreement, shall survive termination, cancellation or expiration of this Agreement.

G. **No Waiver.** If a Party has waived a right under this Agreement on any one or more occasions, such action shall not operate as a waiver of any right under this Agreement on any other

occasion. Likewise, if a Party has failed to require strict performance of an obligation under this Agreement, such action shall not release the other Party from any other obligation under this Agreement, or the same obligation on any other occasion.

H. **Further Assurances.** The Parties shall execute such other documents and perform such other acts as may reasonably be necessary in order to give full effect to this Agreement.

I. **Evergy's Service Territory Outside This Agreement.** Evergy has service territories outside of the areas covered by this Agreement. For service outside of the areas described by this Agreement, Evergy will continue to operate without regard to this Agreement. The principles of law, rules and regulations applicable to the business of retail sales of electricity shall apply without regard to this Agreement.

J. **CMEC's Service Territory Outside This Agreement.** CMEC has service territories outside of the areas covered by this Agreement. For service outside of the areas described by this Agreement, CMEC will continue to operate without regard to this Agreement. The principles of law, rules and regulations applicable to the business of retail sales of electricity shall apply without regard to this Agreement.

K. **Land Description.** The land descriptions utilized in this Agreement are assumed by the Parties to be accurate and reliable and to match the maps being submitted; however, where there are maps and the map does not correspond with the metes and bounds description, the map shall be controlling.

L. **Modifications.** Neither the boundaries described in this Agreement nor any provision of this Agreement may be modified or repealed except by a signed writing of the Parties which is approved by all applicable regulatory authorities.

M. **Expenses.** Except as otherwise expressly provided herein, all expenses incurred by the Parties in connection with or related to the authorization, preparation and execution of this Agreement and the closing of the transactions contemplated hereby, including, without limitation, the fees and expenses of agents, representatives, counsel and accountants employed by any such Party, shall be borne solely and entirely by the Party which has incurred same.

N. **Other Products and Services Not Affected.** This Agreement is limited to the distribution of electricity and shall in no way affect either Party's right to offer other products and services, including, but not limited to, gas service and internet service, to customers located in the Exclusive Service Area of the other Party. Neither shall this Agreement limit in any way a Party's right to construct such non-electric distribution facilities within the designated Electric Service Area of the other, as that Party deems necessary, appropriate or convenient to provide other non-electric distribution service to its customers.

O. **Cooperation.** Evergy and CMEC agree to undertake all actions reasonably necessary to implement this Agreement. Evergy and CMEC will cooperate in presenting a Joint Application to the Commission demonstrating that this Agreement is in the public interest. CMEC shall pay all the costs assessed by the Commission for seeking administrative approval of this Agreement.

P. **Right to Obtain Easements.** This Agreement shall not be construed to prevent either Party from obtaining easements or right of way through or in any part of the Service Area of the other if the acquisition of such easement or right of way is reasonably necessary to or desirable for the performance of the Party's duties to provide electric service to its customers in other areas.

Q. **Re-Platting.** The subsequent platting, re-platting, subdividing, re-subdividing, or re-naming of any parcel or subdivision covered by this Agreement shall not affect the respective rights of Evergy or CMEC established by this Agreement.

R. **Entire Agreement.** This contract constitutes the entire agreement between the Parties relating to the allocation of service rights in the territory described herein. If the Commission does not approve this Agreement or fails to approve or rejects any portion of this Agreement, then the entire Agreement shall be nullified and of no legal effect.

S. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Signatures delivered by electronic means (including PDF or other electronic transmission) shall be deemed effective as original signatures.
