Case No. MC-2025-0108

JOINT STATUS REPORT

Complainant and Respondent, by and through counsel, submit this further status report in compliance with the Commission's Order dated April 2, 2026.

With respect to the anticipated work quotes bearing upon a potential resolution of this matter, Respondent has received a quote that is significantly higher than he can accept. Respondent is exploring options to reduce the expense of the work, whether through an alternate method or a different provider, despite the significant lack of available and willing providers. The parties have agreed to give this process another two weeks and recognize that, without a feasible and prompt solution, the matter may need to be reset for hearing. The parties appreciate the Commission's continued patience while this process continues.

By July 9, 2026, the parties will provide a further report on progress and on whether the matter should be reset for hearing.

No further Commission action is requested at this time.

Respectfully submitted,

/s/ Carolyn H. Kerr
