**APPLICATION TO INTERVENE OF  
THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Comes now the Missouri Industrial Energy Consumers ("MIEC") and, pursuant to 4 C.S.R. 240-2.075 files its application to intervene. For its application, the MIEC states as follows:

1. The MIEC is a Missouri nonprofit corporation that represents the interests of industrial customers in matters involving utility issues. Those interests include the interests of large industrial customers of Kansas City Power & Light Company ("KCPL") and KCP&L Greater Missouri Operations ("GMO").

2. As a representative of large industrial customers of KCPL and GMO, the MIEC's interest is different than that of the general public and may be adversely affected by a final order arising from these cases.

3. The MIEC does not yet have a position on the issues in these cases and reserves the right to take positions on specific issues as these cases proceed.

4. The MIEC's intervention will serve the public interest by assisting the Commission's record for decision in these cases.

5. No party will be prejudiced by MIEC's intervention.

WHEREFORE, the MIEC requests that it be permitted to intervene and be made a party to these cases for all purposes.

Respectfully submitted,
