Manufactured housing is at the forefront of solving the current extreme affordable housing crisis, but unnecessary regulation hinders the industry from doing just that. Held to rigorous standards at both the Federal and State level, manufactured homes are the most regulated form of housing in today's market. In 2025, 1768 manufactured homes were shipped into Missouri, with the MO Public Service Commission only receiving 12 consumer complaints. That's an over 99% satisfaction rate with our homeowners. Arco Refrigeration Co. Inc. dba Arco Distributing supports fair, clear and accurate enforcement of the federal standards with proven success. The following are some highlights of the proposed rules: (See attached)
