Re: Item No. 14 – Initial SOS Filing 20 CSR 4240-125.040 Manufactured housing continues to be one of the best solutions to Missouri's affordable housing challenges. As an industry, we fully support regulations that protect homeowners and ensure homes are installed safely and correctly. At the same time, it's equally important that new regulations are practical and don't create unnecessary burdens that ultimately make affordable housing more difficult to deliver. *See attached
