Investment Act (MEEIA) Cycle 2 Energy )	Case No. EO-2018-0155
Efficiency Programs of Union Electric )	
Company d/b/a Ameren Missouri )	

**MISSOURI DIVISION OF ENERGY**  
**APPLICATION TO INTERVENE**

COMES NOW the Missouri Department of Economic Development, Division of Energy<sup>1</sup> (“DE”) and, pursuant to Missouri Public Service Commission (“Commission”) Rule 4 CSR 240-2.075, respectfully requests that the Commission grant intervention to DE in the above-styled matter. For its Motion to Intervene, DE states as follows:

1. On December 1, 2017, the Staff filed “notice that it started its first MEEIA prudence review of the costs associated with Ameren Missouri’s Cycle 2 energy efficiency programs and DSIM on December 1, 2017 and intends to file its recommendation regarding the Staff’s examination and analyses in this case no later than April 30, 2018.”

2. DE is a state agency vested with the powers and duties set forth in§ 640.150 RSMo.

3. DE’s interests are different than those of the general public, as illustrated by its statutory authority to plan for future energy needs and energy resource

<sup>1</sup> The Division of Energy was transferred from the Department of Natural Resources (DNR) to the Department of Economic Development (DED) on August 29, 2013 by Executive Order 13-03. The Executive Order transfers “[A]ll authority, powers, duties, functions, records, personnel, property, contracts, budgets, matters pending, and other pertinent vestiges of the Division of Energy from the Missouri Department of Natural Resources to the Missouri Department of Economic Development...”

development; develop, promote, administer and monitor energy conservation programs;<sup>2</sup> consult and cooperate with all state and federal governmental agencies on matters of energy research and development, management, conservation and distribution; and analyze the potential for increased use of energy alternatives and make recommendations for the expanded use of such alternate energy sources and technologies.<sup>3</sup> DE's intervention will serve a public interest, as DE will evaluate the filings from a formal state policy and planning perspective consistent with its interests in clean, affordable, abundant energy, and its efficient use.

4. DE expects to develop its positions on specific issues as this case proceeds.

5. Communications, correspondence, orders and decision in this matter should be addressed to the undersigned with a copy to [DEDEnergyCases@ded.mo.gov](mailto:DEDEnergyCases@ded.mo.gov).

WHEREFORE, the Division of Energy respectfully requests that it be allowed to intervene in the above-styled matter.

Respectfully submitted,

*Marc Poston*
