Case No. MC-2025-0108

JOINT STATUS REPORT

Complainant and Respondent, by and through counsel, submit this further status report in compliance with the Commission’s Order dated April 2, 2026.

With respect to the anticipated work quotes bearing upon a potential resolution of this matter, due to the unacceptable quote received, Respondent is exploring other options to effect the work contemplated – the struggle for Respondent being the reluctance and limited availability of contractors to undertake the projects at a reasonable cost. Despite the time the process is taking, the parties generally agree that avenues for a non-litigated resolution have not yet been fully exhausted. Accordingly, the parties have agreed to give this process another two weeks, while continuing to recognize and acknowledge that, without a feasible and reasonably prompt solution, the matter may need to be reset for hearing.

By July 23, 2026, the parties will provide a further report on progress.

No further Commission action is requested at this time.

Respectfully submitted,

/s/ Carolyn H. Kerr
