METRICS FILING FOR JUNE

COMES NOW The Empire District Electric Company d/b/a Liberty (“Liberty” or the “Company”) and submits this Metrics Filing for June. In this regard, Liberty respectfully states as follows to the Missouri Public Service Commission (the “Commission”):

1. The Supplemental Stipulation modifies the timing of the rate increases agreed to under the provisions of the Global Agreement, with paragraph one of the Supplemental Stipulation noting that it “establishes specific billing and customer service metrics that Liberty is required to meet for three consecutive months, starting on January 1, 2026, prior to implementing any changes to customer rates.”

2. Paragraph three of the Supplemental Stipulation is titled “Metrics” and provides that by “(n)o later than the 15th of a month, the Company shall file a status report for the prior month in this docket indicating the number of instances of noncompliance with the provisions provided below, and at least a summary explanation of the causes or reasons for those instances of noncompliance.” Paragraph three further provides that the Company “shall maintain adequate documentation of those instances [of noncompliance] to facilitate Staff or Commission review.”

3. The Commission recently held an on-the-record proceeding concerning Liberty’s metrics filings for January - March. However, as new rates have not yet taken effect, Liberty continues to track its compliance with the metrics for monthly reporting. The status report

attached hereto as **Exhibit A** covers the period of June 1-30. The data backing up and supporting the status report is being provided to Staff for review.

WHEREFORE, Liberty respectfully submits this Metrics Filing for June and requests such relief as is just and proper under the circumstances.

Respectfully submitted,

ATTORNEYS FOR THE EMPIRE DISTRICT
ELECTRIC COMPANY d/b/a LIBERTY
