RE: HT-2026-0271 – for service provided Q2 2026

Dear Ms. Dippell:

Filed through EFIS is the following steam tariff sheet for filing on behalf of Evergy Missouri West, Inc. d/b/a Evergy Missouri West – For St. Joseph, Missouri and Environs, providing the current Quarterly Cost Adjustment (“QCA”) per the Stipulation and Agreement in Case No. HR-2009-0092, adjusted in Case No. HR-2018-0231, and continued in Case No. HR-2026-0109.

The tariff sheet, listed below, has a proposed effective date of September 1, 2026. The proposed QCA rate of \$0.6425 as compared to the current effective rate of \$0.7473 is a decrease driven by lower costs in Q2 2026 compared to Q2 2025. Workpapers in support of the calculation are included with this filing.

At the proposed QCA rate of \$0.6425 per mmBtu, customers will be charged \$642.50 for every 1,000 mmBtu. This reflects a decrease of \$104.80 compared to the current QCA charge of \$747.30 for every 1,000 mmBtu.

Evergy Missouri West, Inc. d/b/a Evergy Missouri West, PSC Mo. No. 1, Steam Rates, Effective July 1, 2026 – 69th Revised Sheet No. 6.10, canceling 68th Revised Sheet No. 6.10.

Respectfully,

A handwritten signature in black ink, reading 'Linda J. Nunn', with a stylized, cursive script.

Linda J. Nunn
