**ORDER APPROVING  
FUEL ADJUSTMENT CLAUSE TRUE-UP**

Issue Date: February 13, 2013

Effective Date: February 23, 2013

On December 19, 2012, KCP&L Greater Missouri Operations Company (KCP&L-GMO) filed an application containing the company's fuel adjustment clause true-up. The true-up corrects an under-collection of \$102,750 for the territory formerly served by Aquila Networks-MPS, and an under-collection of \$2,070 for the territory formerly served by Aquila Networks-L&P.

The Commission's rule regarding fuel adjustment clauses requires the Commission's Staff to examine and analyze the information submitted by the company and to submit a recommendation within 30 days.<sup>1</sup> Staff filed its recommendation on January 18, 2013. Based on its examination and analysis of information filed by KCP&L-GMO, Staff recommends the Commission approve the company's true-up filing. Staff further explains that the under-collected amounts indicated in this true-up filing are included in the calculations underlying KCP&L-GMO's fuel adjustment clause rate schedules currently before the Commission in File No. ER-2013-0341.

<sup>1</sup> 4 CSR 240-20.090(5)(D).

**THE COMMISSION ORDERS THAT:**

1. KCP&L Greater Missouri Operations Company's eighth true-up filing for the eighth recovery period (September 1, 2011, through August 31, 2012) is approved.
2. This order shall become effective on February 23, 2013.
3. This file shall be closed on February 24, 2013.
