Dear Ms. Hiles and Ms. Steelman:

Re: Notice of Order Denying Request for Emergency Rule – Commission File No. AO-2021-0164

As required by Section 536.041, RSMo 2016, the Missouri Public Service Commission informs you that on January 13, 2021, the Commission issued an order denying Consumers Council of Missouri's request for emergency rule placing a temporary moratorium on residential disconnections by Commission-regulated electric, water, and gas utilities. In the order, which is attached, the Commission explains its findings that an emergency rule is not warranted at this time.

Sincerely,
