RE: Click Computers, Inc. for Registration to Provide Interconnected Voice over Internet Protocol Service

Dear Sir or Madam:

Please find this filing on behalf of Click Computers, Inc. a Missouri based company seeking authority to provide Interconnected Voice over Internet Protocol Service(s) services within the state to End User Business Customers pursuant to §392.611.4 and/or §392.550 RSMo.

In recent conversations with Commission staff it was suggested that Applicant respectfully request in this cover letter a formal request for waiver of the local counsel requirement on behalf of Applicant. Global Strategic Accountants, LLC ("GSA") serves as Attorney in Fact for Applicant and respectfully requests that a waiver be given to Applicant as all proper information has been provided and included with this submission (along with the Affidavit from and by a duly appointed Officer of Applicant).

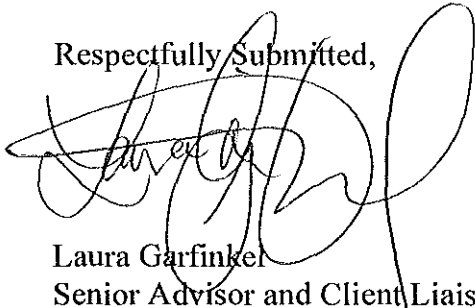

In past conversations with Commission staff it was discussed that in this instance of the IVoIP Application information provided by Applicant which meets all requirements that the Commission would take under consideration this request. Due to lack of complexity related to this Application (in comparison to those more complex and detailed, whereby local counsel would be more adequately required to manage and oversee the docket entry) the IVoP Application at hand

does not necessarily warrant the need for local counsel along with the additional fees and cost requirements to support the engagement of local counsel by the Applicant.

We respectfully request that the Commission consider this as Applicant is in excellent standing with the state, seeks to serve and benefit the good of Business Customers in the state and shall comply with all Commission requirements, rules and regulations as mandated by the Commission and other state offices.

Should you have any questions concerning this filing, please do not hesitate to contact me.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Laura Garfinkel', is written over the text 'Respectfully Submitted,'.
