

Name of Utility: Confluence Rivers Utility Operating Company, LLC

Service Area: Missouri Service Areas

Water & Sewer Infrastructure Replacement Surcharge (WSIRA)

DESCRIPTION – “WSIRA District 1 Water” is designed to recover costs associated with eligible water infrastructure system replacement projects completed by the Company in District 1. Eligible projects include replacement or rehabilitation of water distribution mains, service lines, hydrants, meters, pumping equipment, treatment equipment, valves, control equipment, and related water utility infrastructure necessary to maintain safe, adequate, and reliable service. The WSIRA rate is calculated and implemented in accordance with Sections 393.1500 through 393.1509, RSMo.

APPLICABILITY - This rate is applicable to District 1 customers who benefits from the subject utility plant projects eligible for WSIRA recovery. The surcharge is calculated consistent with the customer class cost-of- service study recognized by the Missouri Commission in the Company’s most recent general rate proceeding.

RATE COMPONENTS - In addition to the other charges provided for in the Company’s tariffs, a separate charge for the WSIRA will apply for service rendered on and after the effective date.

For Metered Service
