COMES NOW Missouri-American Water Company (MAWC), and, as its Notice of Closing states the following to the Missouri Public Service Commission (Commission):

1. The Commission issued its Order Granting Certificates of Convenience and Necessity (Order), on January 21, 2020, with an Effective Date of February 20, 2020.
2. Prior to closing, MAWC worked with a property owner for numerous months in order to acquire property which would allow MAWC access to the wastewater treatment facility. The temporary easement previously used by the Clinton Estates Homeowners Association would not be available to MAWC due to the property owner consolidating multiple lots with the intention of building a home on the consolidated lots.

WHEREFORE, MAWC respectfully requests that the Commission consider this Notice of Closing and such further orders as it shall find to be reasonable and just.
