NOTICE OF EXTRA RECORD COMMUNICATION

Issue Date: July 30, 2026

On July 29, 2026, the Commission received emails concerning this case from interested citizens, which were presumably made as a result of the local public hearings conducted on that same date. The emails generally expressed opposition to the pending application and, in one instance, requested additional information regarding the application and the Commission's processes. The emails, and their accompanying attachments, where applicable, have been placed in the Comments section of the official case file where they can be reviewed by the Staff of the Commission and the Office of the Public Counsel.

The emails appear to be extra record communications regarding the currently pending case, as defined by Commission Rules 20 CSR 4240-4.015(7) and 4.030. This notice is given pursuant to Commission Rule 20 CSR 4240-4.030(2). The Staff of the Commission and the Office of the Public Counsel may investigate the extra record communications in said emails and may proceed as they see fit.
