MOTION FOR EXTENSION OF DEADLINE TO FILE REBUTTAL TESTIMONY

COMES NOW, the Staff of the Missouri Public Service Commission (“Staff”),
by and through counsel, and for its *Motion for Extension of Deadline to File Rebuttal
Testimony*, states as follows:

1. On May 22, 2026, Union Electric Company, d/b/a Ameren Missouri (“Ameren Missouri”) filed its *Application* for permission and approval, and certificates of public convenience and necessity, authorizing it to construct renewable generation facilities and battery energy storage systems.

2. On July 8, 2026, the Commission entered an *Order* directing Staff and Intervenor to file its rebuttal testimony on or by August 7, 2026.

3. As of the date of this filing, Staff is nearly complete in the development of its rebuttal testimony, however Staff requires additional time to finalize a few components of the testimony.

4. To ensure that Staff has the necessary time to finalize its rebuttal testimony, Staff respectfully requests an additional 4 days in which to complete and file rebuttal testimony in this matter. As such, Staff requests the Commission establish a new deadline of August 11, 2026, for all parties to file their rebuttal testimonies in this matter.

5. Staff has communicated with the Office of the Public Counsel and Renew Missouri, which are in support of this *Motion*. Staff has also contacted Ameren Missouri, which did not object to Staff's request for an extension of time.

6. This motion is made in the interest of justice and without the intent to unreasonably delay or hinder these proceedings in any manner.

WHEREFORE, Staff respectfully submits this *Motion for Extension of Deadline to File Rebuttal Testimony*, and hereby prays the Commission extend the filing date for rebuttal testimony for all parties in this matter to August 11, 2026; and to grant such other and further relief as the Commission considers just and reasonable in the circumstances.

Respectfully submitted,

/s/ Paul T. Graham
