**ORDER GRANTING LEAVE TO OBJECT, AN EXTENSION TO FILE STAFF
RECOMMENDATION, AND AN EXTENSION OF TIME FOR A COMMISSION
ORDER**

Issue Date: August 13, 2026

Effective Date: August 13, 2026

On July 23, 2026, Missouri-American Water Company (Missouri-American) filed a motion for leave to object to data requests out of time. The Staff of the Commission (Staff) filed a response that did not object to Missouri-American’s request. Therefore, the Commission will grant leave to object out-of-time.

On August 7, 2026, Staff filed a motion requesting an extension of time to file its recommendation and report regarding this complaint. Staff requests to have until August 6, 2026, to file its report and recommendation. Staff needs additional time to investigate this complaint. Therefore, the Commission will grant the extension request.

Commission Rule 20 CSR 4240-2.070(15)(G) requires the Regulatory Judge to issue a recommended report and order within 100 days of the filing of a complaint unless good cause is found to extend that time. The Commission finds good cause exists to extend the time to issue a recommended report and order so Staff may complete its investigation.

THE COMMISSION ORDERS THAT:

1. Missouri-American's Motion for Leave to Object to Data Requests Out of Time is granted.
2. No later than August 26, 2026, Staff shall file its recommendation and report regarding this complaint.
3. The 100-day deadline to issue a recommended report and order is extended to January 29, 2027.
4. This order is effective when issued.
